

## Super Smart TeleCenter **Selling Hotline** Setup Instructions

### To Record Your Buying Hotline Greeting:

**Step 1.** Dial the 10-digit voicemail number assigned to you.

If you have previously recorded a greeting, you will hear your recording. Otherwise, you will hear the automated attendant.

**Step 2.** Press the \* key while the automated attendant is speaking.

If you fail to press \* before the attendant finishes speaking, you will hear a tone. Do not record a message. You will need to hang up and begin again with Step 1.

**Step 3.** The automated attendant will say, "Please enter your security code." Enter your temporary security code (the last four digits of your voicemail number).

After a brief pause, you will hear the attendant say, "You have no voice messages...Main Menu..." Note: If you accidentally left a message during Step 2, then you will have messages. Ignore those messages at this time.

**Step 4.** Press "5" (Account Maintenance Menu).

**Step 5.** Press "1" (Record Greetings Menu).

**Step 6.** Press "1" to record your default Selling Hotline Greeting. The attendant will say, "Please begin recording at the tone."

Refer to the Super Smart sample script. Your greeting should contain all selections that a caller may make. As part of your greeting, you will want to say, "Press 1 to leave a message. Press 2 for menu options. Press 3 for an introduction to available properties. Press 4 if you are a first-time homebuyer. Press 5 for information about credit problems. Press 6 if you think you lack the necessary down payment. Press 7 for our Lease-Option Program. Press 8 for our American Dream Program. Press 9 for frequently asked questions. Press 100 for detailed property listings."

**Step 7.** Say your greeting. Then wait for the attendant to speak. Do not press any more keys until you are prompted. The attendant will say, "To review, press "1". To re-record, press "2". If you are satisfied with your message, press #. To return to the previous menu, press \*."

**Step 8.** Press "1" to review your greeting.

**Step 9.** If you are satisfied, press # to save the recording. The attendant will return you to the Record Greetings Menu. Proceed to Step 10.

To re-record, press "2" and return to Step 7.

### To Change Your Security Code:

**Step 10.** Press \* (Account Maintenance Menu).

**Step 11.** Press "4". The attendant will say, "Security Code Menu. To review your Security Code, press "1". To re-enter your Security Code, press "2". To return to the previous menu, press \*."

**Step 12.** Press "2". The attendant will say, "Please enter a 4 to 8 digit security code. Make sure that this security code is easy to remember, but hard for intruders to figure out."

**With these instructions, you will:**

1. Record your default Selling Hotline Greeting.
2. Set your new security code.
3. Record your "Leave a message" Greeting.
4. Record your "Main Menu" Greeting.
5. Set up your Available Properties Program.
6. Record greetings for additional extensions.
7. Listen to your messages from Extension 1.

**You need your:**

1. 10-digit voicemail number.
2. Temporary security code, which is the last four digits of your voicemail number.
